

Early Identification Program

Dear Prospective Student & Parent/Guardian,

We missed you at the EIP Prep Information Meetings held on March 23rd -25th. In an effort to extend your student an opportunity to learn more about our program and access to our application process, we are reaching out to provide you instructions on how you can make-up the EIP Prep Information Meeting.

For families who missed the EIP Prep Information Meetings, we are allowing them to make-up the meeting by watching the video recording of our EIP Prep Information Meeting. **Families will have until April 12th to make up the missed meeting.** These videos are now available on our website: <https://eip.gmu.edu/prospective-students/>, which are available in English and Spanish.

Once you complete watching the online video recording of the EIP Prep Information Meeting, you must complete the attendance form confirming you have viewed the video presentation, both student and parent will receive the link to the online application within 48 hours.

After April 12th, the video recording will no longer be available and you will no longer have an option to make-up the missed EIP Prep Information Meeting.

If you have any questions or concerns, please do not hesitate to contact the EIP office at (703) 993-3120 or email us eip@gmu.edu . To learn more about the program, visit us at eip.gmu.edu.

Sincerely,

Khaseem Davis
Director
Early Identification Program
George Mason University

We do it for each other.

Wear a Mask

Physically Distance

Wash Your Hands

Stay Home if Sick

Covid Health ✓
